Stetson University Organ

What is Pedals, Pipes and Pizza?

This AGO-sponsored event is intended to develop a young music student's interest in the pipe organ. Pedals, Pipes, and Pizza will be held on Saturday, January 20, 2018, at Stetson University in DeLand, FL.

The event includes a presentation on the pipe organ, a musical demonstration of the instrument, and a chance for students to play the organ. This program is open to students of all ages. Parents and Music Teachers are welcome to accompany their children.

All students, especially those who already play a musical instrument, are welcome. Pizza will be served at the conclusion of the program.

This is a free educational event. To register, go to the web site <http://CFAGO.org>, fill out the on-line registration form, or e-mail it to the Central Florida Chapter via the Facilitator on the left, or phone (321) 277-6194
